

## 6<sup>th</sup> annual LGBT Graduate Insight Afternoon

**Friday, 21<sup>st</sup> October 2016, 12:30-16:00 (followed by networking drinks)**  
Deloitte, 2 New Street Square, London EC4A 3BZ

At this time of year, many of you will be thinking about life after university and may be considering a career in Audit, Tax, Corporate Finance or Consulting. At Deloitte, we believe that if you're free to be open about your sexuality, and feel supported whatever your background, you'll do better in your career.

We go to extraordinary lengths to encourage, support and celebrate our lesbian, gay, bisexual and trans LGBT people across our business. Join us for the afternoon and get to know more about us. Come and see our tailored career opportunities. Take part in a real-life client case study and application workshop. Hear about our experiences of being LGBT in the workplace. Then stay for networking drinks where you can meet some of our colleagues and hear more about what we do.
