

Destination – Emerging Markets

Are you interested in a career that's defined by change?

Change the world. Improve lives. Invent something new. Solve a complex problem. Extend your talents. Build enduring relationships.

Then you've come to the right place.

We would like to invite you to our "Destination – Emerging Markets" event designed for students from or with strong ties to our emerging market locations and are interested in an international start to their career. The emerging market regions include Eastern Europe, Africa, the Middle East, Asia, and Latin America.

This is a great opportunity to meet directly with colleagues who are based in many of our emerging market offices and hear about their experiences of working at McKinsey.
